Chair Bostwick:

I wish to be considered by the Rock County Agriculture and Extension Education Committee for appointment to the Rock County Drainage Board, pursuant to Chapter 88 of Wisconsin State Statutes. I understand that the Agriculture and Extension Education Committee makes Board Member recommendations to the Circuit Court of Rock County. I understand that the Circuit Court of Rock County appoints all drainage board members. I also understand to be considered for this appointment I must own land in the drainage district. If I am appointed by the Circuit Court for the Drainage Board, I must take and file an oath of office prior to acting as an agent for the Drainage Board of Rock County.

It also is my understanding that at any time I wish to resign my post on said board, I will file a letter of resignation with the Drainage Board and the Circuit Court, with a copy provided to the committee.
